

Art of Feminine Marketing

The Wheel of Life

In each area, list the possible outcomes of working with you. Estimate the tangible value of working with you for each area. Think in terms of side benefits as well as direct benefits. For instance, if someone is able to increase their income, how will that affect their relationship or their health?

Add all the values to discover your monetary value ** This is not necessarily your investment point.

The long term, whole life value of working with me: \$
